Section L: Non-Licensed Services

Manhattan, KS 66502 | (785) 323-0104 | goldenrulehccs@gmail.com

Effective date: Jan. 1, 2027. Review cycle: once a year.

Regulatory basis: Agency policy; K.A.R. 28-51-104(b) limits licensed services to those on the application.

L-1. Separation of Non-Licensed Services

Golden Rule Home Care & Concierge Services LLC also offers organizing, downsizing, transition support, communication with adult children, and concierge services.[1] These services fall outside the supportive care license.[2] Specific sessions are set aside for downsizing, and concierge services are scheduled as needed.[1]

L-2. Scheduling, Staffing, Billing, and Records

Non-licensed services are scheduled as their own sessions and billed on a separate invoice from supportive care.[1] Notes on non-licensed work are kept in a separate file and are not part of the client record under Section J.[3] Anyone who does non-licensed work for a client meets the same screening as a caregiver, including the background check in Section D, because the work takes place in the client's home.[4] **[TAYLOR TO DECIDE: confirm these three rules or mark any you want changed.] [VERIFY: confirm with KDHE that offering these services under the same LLC does not affect the license.]**

Adoption

The governing body of Golden Rule Home Care & Concierge Services LLC adopts the policies in this section.[5] Taylor Anderson, as sole member and owner of the LLC, approves them and reviews them once a year or sooner when a rule changes.[6]
